## **Professional Experience (Publications of Scientific Research Journals):**

### **Jinnah University for Women (2018 - to date)**

#### **❖ Director (Scientific Research Journals' Publications)**

Following research journals are being published by the Jinnah University for Women in different disciplines (i.e. Science, Pharmacy, Business, and Computer Science):

- **RADS Journal of Biological Research and Applied Sciences**  
Recognized by HEC under 'Y' category.
- **RADS Journal of Pharmacy and Pharmaceutical Sciences**  
Formerly Recognized by HEC under 'Y' category in 2020-21.
- **RADS Journal of Business Management**  
Recognized by HEC under 'Y' category.
- **RADS Journal of Computer Science and Technology**  
This journal will be launched soon.

### **Bentham Science Publishers Ltd.**

Associated with Bentham Science for 18 years and as Director (Publications) involved in handling core and prime activities of numerous high-ranking impact factor print & online journals, open access journals, and books in multidisciplinary fields; and their indexation in various agencies like Science Citation Index, Journal Citation Reports, Current Contents, Index to Scientific Reviews, ISI Alerting Services, BIOSIS, MEDLINE, Scopus, EMBASE, DOAJ, *etc.*
